

## Vehicle Use

### 703.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the department to provide assigned take-home vehicles.

Additional guidelines for member responsibilities when transporting persons in custody may be found in the Transporting Persons in Custody Policy 904.

### 703.2 POLICY

The University of Maryland, Baltimore Police Department provides vehicles for department-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the department, requirements for tactical deployments and other considerations.

### 703.3 USE OF VEHICLES

#### 703.3.1 SHIFT ASSIGNED VEHICLES

The Shift Supervisor shall ensure a copy of the shift assignment roster, indicating member assignments and vehicle numbers, is completed for each shift and retained in accordance with the established records retention schedule. If a member exchanges vehicles during their shift, the new vehicle number shall be documented on the roster. Furthermore, members using a department vehicle are required to complete the Vehicle Mileage Form, which are kept in each vehicle.

#### 703.3.2 OTHER USE OF VEHICLES

Members utilizing a vehicle assigned to Patrol for any purpose other than their normally assigned duties or normal vehicle assignment (e.g., transportation to training, community event) shall first notify the Shift Supervisor. A notation will be made on the Patrol shift assignment roster indicating the member's name and vehicle number.

This subsection does not apply to those who are assigned to transport vehicles to and from the maintenance shop or car wash.

#### 703.3.3 INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shifts. The entire vehicle inspection shall be recorded on the member's body-worn camera. Upon completing the inspection, members shall complete UMBPD Form 18-012 and submit it via email to DL-UPFleet@police.umaryland.edu within the first hour of their tour of duty. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to the Shift Supervisor or respective supervisor and documented as appropriate.

## *Vehicle Use*

---

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

All department vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

### 703.3.4 SECURITY AND UNATTENDED VEHICLES

Unattended vehicles should be locked and secured at all times. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging). Officers who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended.

### 703.3.5 MOBILE DATA TERMINAL

Members assigned to vehicles equipped with a Mobile Data Terminal (MDT) shall log onto the MDT with the required information when going on-duty. If the vehicle is not equipped with a working MDT, the member shall notify Communications. Use of the MDT is governed by the Mobile Data Terminal Use Policy 423.

### 703.3.6 VEHICLE LOCATION SYSTEM

Patrol and other vehicles, at the discretion of the Chief of Police, may be equipped with a system designed to track the vehicle's location. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Members shall not make any unauthorized modifications to the system. At the start of each shift, members shall verify that the system is on and report any malfunctions to their supervisor. If the member finds that the system is not functioning properly at any time during the shift, they should exchange the vehicle for one with a working system, if available.

System data may be accessed by supervisors at any time. However, access to historical data by personnel other than supervisors will require Bureau Commander/Director approval.

All data captured by the system shall be retained in accordance with the established records retention schedule.

### 703.3.7 KEYS

Members approved to operate marked patrol vehicles shall retrieve the car keys for their assigned vehicles from the key box immediately following Roll Call and shall be returned to the key box at the conclusion of their shift.

### *Vehicle Use*

---

Members shall not duplicate keys without the approval from an authorized supervisor. The loss of a key shall be promptly reported in writing through the member's chain of command.

#### **703.3.8 AUTHORIZED PASSENGERS**

Members operating department vehicles shall not permit persons other than department personnel or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as passengers in the vehicle, except as stated in the Ride-Alongs Policy 405.

#### **703.3.9 ALCOHOL**

Members who have consumed alcohol are prohibited from operating any department vehicle unless it is required by the duty assignment (e.g., task force, undercover work). Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

#### **703.3.10 PARKING**

Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Department vehicles should be parked in assigned stalls. Members shall not park privately owned vehicles in stalls assigned to department vehicles or in other areas of the parking lot that are not so designated unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

#### **703.3.11 ACCESSORIES AND/OR MODIFICATIONS**

There shall be no modifications, additions or removal of any equipment or accessories without written permission from the Chief of Police or authorized designee.

### **703.4 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES**

Department vehicles may be assigned to individual members at the discretion of the Chief of Police or authorized designee. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform their regular assignment.

#### **703.4.1 ON-DUTY USE**

Vehicle assignments shall be based on the nature of the member's duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Chief of Police or the authorized designee.

#### **703.4.2 UNSCHEDULED TAKE-HOME USE**

Circumstances may arise where department vehicles must be used by members to commute to and from a work assignment. Members may take home department vehicles only with prior approval of an authorized supervisor and shall meet the following criteria:

### 703.4.3 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence; the nature of the member's duties, job description and essential functions; and the member's employment or appointment status.

Members are cautioned that under federal and local tax rules, personal use of a department vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or transports, unless special circumstances exist and the Chief of Police or authorized designee gives authorization.
- (b) Vehicles may be used to transport the member to and from the member's residence for work-related purposes.

  - 1. In circumstances when a member has been placed on call by the Chief of Police or authorized designee and there is a high probability that the member will be called back to duty.
  - 2. When the member is performing a work-related function during what normally would be an off-duty period, including vehicle maintenance or traveling to or from a work-related activity or function.
  - 3. When the member has received permission from the Chief of Police or authorized designee.
  - 4. When the vehicle is being used by the Chief of Police, Deputy Chief of Police, Bureau Commander/Director, or members who are in on-call administrative positions.
  - 5. When the vehicle is being used by on-call investigators.
- (d) While operating the vehicle, authorized members will carry and have accessible their duty firearms and be prepared to perform any function they would be expected to perform while on-duty.

- (g) Vehicles are to be parked off-street at the member's residence unless prior arrangements have been made with the Chief of Police or the authorized designee. If the vehicle is not secured inside a locked garage, all firearms and kinetic impact weapons shall be removed and properly secured in the residence (see the Firearms Policy 306 regarding safe storage of firearms at home).
- (h) Vehicles are to be secured at the member's residence or the appropriate department facility, at the discretion of the department when a member will be away (e.g., on vacation) for periods exceeding one week.
  - 1. If the vehicle remains at the residence of the member, the department shall have access to the vehicle.
  - 2. If the member is unable to provide access to the vehicle, it shall be parked at the department.
- (i) The member is responsible for the care and maintenance of the vehicle.

### 703.4.4 ENFORCEMENT ACTIONS

When driving a take-home vehicle to and from work outside of the jurisdiction of the University of Maryland, Baltimore Police Department or while off-duty, an officer shall not initiate enforcement actions except in those circumstances where a potential threat to life or serious property damage exists (see Off-Duty Law Enforcement Actions 340 and Law Enforcement Authority policies 100).

Officers may render public assistance when it is deemed prudent (e.g., to a stranded motorist).

Officers driving take-home vehicles shall be armed, appropriately attired and carry their department-issued identification. Officers should also ensure that department radio communication capabilities are maintained to the extent feasible.

### 703.4.5 MAINTENANCE

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by the department. Failure to adhere to these requirements may result in discipline and loss of vehicle assignment. The following should be performed as outlined below:

- (a) Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage.

## *Vehicle Use*

- (f) All weapons shall be removed from any vehicle left for maintenance.
- (g) Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with this policy.

### **703.5 UNMARKED VEHICLES**

Unmarked vehicles are assigned to various bureaus and their use is restricted to the respective bureau and the assigned member, unless otherwise approved by a supervisor. Any member operating an unmarked vehicle shall record vehicle usage on the vehicle inspection log maintained in the vehicle.

### **703.6 DAMAGE, ABUSE AND MISUSE**

When any department vehicle is involved in a traffic accident or otherwise incurs damage, the involved member shall promptly notify the Shift Supervisor. Any traffic accident report shall be filed with the agency having jurisdiction (see the Traffic Accidents Policy 501).

Damage to any department vehicle that was not caused by a traffic accident shall be immediately reported during the shift in which the damage was discovered, documented in memorandum format and forwarded to the Shift Supervisor. An administrative investigation should be initiated to determine if there has been any vehicle abuse or misuse.

### **703.7 ATTIRE AND APPEARANCE**

When operating any department vehicle while off-duty, members shall dress in a manner appropriate for their intended activity. Whenever in view of or in contact with the public, attire and appearance, regardless of the activity, should be suitable to reflect positively upon the department.
